

Story Writing Time!!

Over the past few weeks we have been looking at improving both our handwriting and our descriptive writing.

We have looked at connectives and paragraphs and how to describe characters.

This week we have created our own story plan and now you need to use all the skills you have been practising in class to write a short story of your own.

You have your plan so try to follow it when you write.

REMEMBER:

- Connectives
- Punctuation
- Opening of sentences
- Words you use (especially descriptive words)

Good luck and ...

Have fun! ☺
